Avenues New York
Transportation Schedules and Route Options

Office of Pupil Transportation (OPT) Yellow Bus service

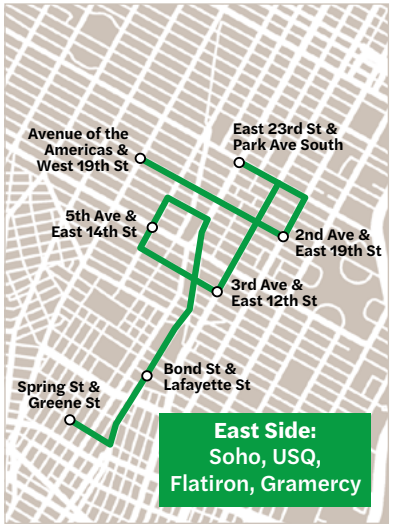

- Free yellow school busing service provided to all students in K-G6 in public or private schools within the city limits.
- OPT is a service provided by the NYC Department of Education. Drivers and routes are not directly managed by Avenues.
- Eligibility for OPT bus service is determined by the distance between the student's primary residence and their school.
- OPT works with each individual school to determine routes, stops and the appropriate number of students per bus.
- Bus stops are typically within .25 miles from your home and are centrally located within your neighborhood.
- Pick-up times range between 6:50–7:50 a.m.; drop-off times from 3:40–4:45 p.m.
- The city requires that routes last no longer than 90 minutes.
- 6th graders are only able to take OPT busing in the morning due to the later dismissal time of Upper Division students. We are not able to request additional OPT busing for afternoon 6th-grade students, however, we are able to issue them OMNY cards for afternoon use.
