Upper Division Head
Judy Fox

Director of Deans and College Counseling
Amy Young

Director of Admissions
Andrew T. Weller

Language Immersion

At Avenues, students in the Early Learning Center (nursery, pre-kindergarten and kindergarten) and the Lower Division (grades 1-5) spend half of their time learning in English and half of their time learning in the target language of their choice—Spanish or Chinese. The Chinese language curriculum teaches speaking in Mandarin and reading and writing in simplified Chinese. Most content areas (literacy, math, social studies, music and art) are taught in both English and Spanish or Chinese. Students in grades six through 12 undertake intensive language study. Students in these grades are placed in leveled language classes according to their proficiency.

Mission Statement

We will graduate students who are accomplished in the academic skills one would expect; at ease beyond their borders; truly fluent in a second language; good writers and speakers one and all; confident because they excel in a particular passion; artists no matter their field; practical in the ways of the world; emotionally unafraid and physically fit; humble about their gifts and generous of spirit; trustworthy; aware that their behavior makes a difference in our ecosystem; great leaders when they can be, good followers when they should be; on their way to well-chosen higher education; and, most importantly, architects of lives that transcend the ordinary.

Academics

56
Number of students (grades 4-12) in study abroad and language immersion programs

1980
Average combined SAT scores

506
Spanish

484
